

- ★ **in time** is when the dancer should check in with the teacher/group ready to move to the practice area. You should have dance shoes/clothes on ready to go.
- ★ Your arrival time is based on how long it will take YOU to get settled into the dressing room, shoes on, etc. **before** the “check-in” time.
- ★ **Check-in time is with hair and make-up completed.** Come early if you need help with that.
- ★ Solos, Duets, Trios - arrival time is up to you. Allow enough time to get in costume, warm-up, run your dance on your own, and line up a few dances before yours. **A teacher will be there at least 20 minutes before your performance time in order to take you backstage.**
