

VIP Competition - 2025

- ★ **Check-in time** is when the dancer should check in with the teacher/group ready to move to the practice area.
- ★ Your **arrival time** is based on how long it will take YOU to get settled into the dressing room, shoes on, etc.
- ★ **Check-in time is with hair and make-up completed.**
- ★ Solos, Duets, Trios - arrival time is up to you. Allow enough time to get in costume, warm-up, & run your dance on your own. I would suggest at least an hour. **A teacher will be there at least 20 minutes before your performance time in order to take you backstage.**
- ★ All solo/duet/trio practice and preparation needs to be completed around group practice times. Group practices are mandatory and take precedence. Plan your arrival and preparation accordingly.
